

## Undaunted: Daring to Do What God Calls You to Do

Christine Caine offers life-transforming insights about how not only to overcome the challenges, wrong turns, and often painful circumstances we all experience, but also to actually grow from those experiences and be equipped and empowered to help others. Using her own dramatic life story, Caine shows how God rescued her from a life in which she was unnamed, unwanted, and unqualified. She tells how she overcame abuse, abandonment, fears, and other challenges to go on a mission of adventure, fueled by faith, and filled with love and courage. Her personal stories inspire listeners to hear their name called, just as Christine heard her own - You are beloved. You are the hope. You are chosen - to go into a dark and troubled world, knowing each of us possess all it takes to bring hope, create change, and live completely for Christ. Part inspirational tale, part manifesto to stir listeners to lives of adventure, this book shows the way with spiritual wisdom and insight. Her mission to fight injustice by focusing on one person at a time will inspire and awe listeners with how we are joined in a unique mission, products of eternity, positioned in time, pressed to make the most of our lives on a quest filled with adventure and drawn by faith.
