

Vangie

The fortune teller said she was to be ravished by the swamp beast and delivered to the Devil. Vangie ran from the tent and her friends later found her trembling in the shadows under a tree. Now, there's a knock on Vangie's door. It turns out to be wild young Jimmy Deveraux, wearing a nice suit. If he's the devil, he's a tall, handsome devil. Vangie either runs away, or she takes the chance of her life.
