

Vilfredo Pareto (International Library of Essays in the History of Social and Political Thought)

Including twenty-one classic essays, published during the past 70 years, this collection introduces the reader to the issues and controversies raised by Pareto's social and political thought. In his introduction Joseph V. Femia explains the importance of the essays, all of them written by distinguished experts in the field, and sketches out the ideas that made Pareto a seminal figure in our intellectual history.
