

Voices from D-Day: Eyewitness Accounts from the Battle for Normandy

Voices From D-Day features classic accounts by soldiers such as Rommel and Bradley, together with frontline reports by some of the worlds finest authors and war correspondents, including Ernest Hemingway and Alan Melville. Published to celebrate the 60th anniversary of the Normandy landings, highlights of this unique collection include the break-out from Omaha beach as told by the GI who led it, a French housewives story of what it was like to wake up to the invasion, German soldiers accounts of finding themselves facing the biggest seaborne invasion in history, a view from the command post by a member of Eisenhowers staff, combat reports, diaries and letters of British veterans of all forces and services, and accounts of the follow-up battle for Normandy, one of the bloodiest struggles of the war. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
