

## Water Mark (Micky Knight Mystery Book 6)

Its just one more body in one more destroyed house. In New Orleans, after Katrina, there are thousands of destroyed houses and hundreds of body yet to be found. Can one more matter? It does to Micky Knight as she takes on the search to find out who the woman was and why she might have died there. But is Micky searching for justice or just doing anything to avoid confronting the ways Katrina destroyed everything that had tied her to New Orleans? Mickys investigation leads to a tangle of greed and deceit that stretches back generations. Someone is using the destruction wrought by the flooding to finish what was started a hundred years ago. To stop them Micky will have to risk not just her life, but any chance to reconnect with Cordelia and rebuild the life she had before Katrina. But if she doesnt stop them, a young teen whose only crime was wanting to help the destroyed city, will be the next body left in an abandoned house. The sixth book in the Micky Knight mystery series.
