Cengage Learnings Political Science CourseMate brings course concepts to life with interactive learning, study tools, and exam preparation tools that support the printed textbook. Use Engagement Tracker to assess student preparation and engagement in the course, and watch student comprehension soar as your class works with the textbook-specific website. An interactive eBook allows students to take notes, highlight, search, and interact with embedded media. Other resources include video activities, animated learning modules, simulations, case studies, interactive quizzes, and timelines. CourseMate now includes American Government NewsWatch, a real-time news and information resource, updated daily, which includes interactive maps, videos, podcasts, and hundreds of articles from leading journals, magazines, and newspapers from the United States and the world. Also included is the KnowNow! American Government Blog, which highlights three current events stories per week and consists of a succinct analysis of the story, multimedia, and discussion-starter questions.
