

## GRACE: Whats So Amazing About It?

Christians have asked, Whats so important about grace? or Isnt grace simply something one receives at salvation? While these may be valid questions, but the truth of the matter is, grace is so much deeper and so much more brilliant than we imagine. We shouldnt settle for a cheap understanding of grace but a grace that is ever as beautiful and powerful as Gods love for us. Our changed lives should, in-fact, be that beacon of glory for the world to see.
