

## Wheres the Love?: Getting a Better Sense of Gods Love

Most have heard the statement, God is Love. They've seen the sign at the football games: John 3:16-For God so loved the world that he gave his only Son . . . and have believed it to be true-at least in theory. Yet for so many it stops there. It's just a principle, something to be taken on faith. But the world with all its disasters and evil screams at us daily, Where's a loving God in all this? Love is something to be felt and experienced in our souls. When someone loves us-or doesn't love us anymore-we feel it! Well, God is a person too, and his powerful love can be experienced and felt from this side of heaven. We can get into the zone to experience God's love and begin to love others better with these four simple steps: Awaken your soul to spiritual realities. Have an out of this world identity. Be a vigilante of love. Pursue a higher righteousness.
