

## A History of the Hellenistic World: 323 - 30 BC (Blackwell History of the Ancient World)

A History of the Hellenistic World provides an engaging look at the Macedonian monarchies in the period following the reign of Alexander the Great, and examines their impact on the Greek world. Offers a clearly organized narrative with particular emphasis on state and governmental structures. Makes extensive use of inscriptions in translation to illustrate the continuing vitality of the Greek city states prior to the Roman conquest. Emphasizes the specific Macedonian origins of all active participants in the creation of the Hellenistic world. Highlights the relationships between Greek city-states and Macedonian monarchies.
