

Bella Key (Romance on the Go)

Maddie Jacobs must be crazy. At least that's what her mother thinks. Professionally, she's confident and secure; personally, she's a hot mess. Not even a marriage proposal from a man who adores her can quell her search for something more. In need of an escape, Maddie flees to Key West's most southern island, Bella Key, to rest and recharge at Casa Bonita. She almost gives up on the weekend retreat when the Bed & Breakfast is closed for repairs until Sunny Rojas, the inn owner, extends an offer of friendship, sweet tea and a room. Still reeling from a breakup with her longtime partner, Sunny is thankful for the diversion from her own broken heart. The arrival of a fierce storm forces the women's emotional journey to a head and leads them into each other's arms. But can Maddie throw her hangups to the wind and go with her heart? The magic of Bella Key teaches her that passion cannot be placed neatly into boxes labeled right and wrong, because love knows no boundaries.
