

# Worlds Apart

A Los Angeles building contractor, Jerry Barnes, lives a lavish lifestyle by unethically developing communities that result in severe harm to planet earth. Conversely, Ed Rose demonstrates consummate morals and integrity. The renowned architectural craftsman resides in Willow Creek, located in a distant world. When these two men face a near death experience at the same instant, a higher power sends them back to the material world but Ed finds himself in Jerry's body surrounded by Jerry's wife Sharon, delinquent children and a corrupt business. Jerry wakes up in Ed's gorgeous body, with Ed's beautiful soul mate, Amanda, at his side. Worlds apart, Ed and Amanda help Jerry and his family learn to live a healthful lifestyle, to see the joy in honorable business dealings and to find the depths of true love
